Hi Group,

Does anyone have a C128 CP/M System disk and CP/M utility disk that they would sell me. I have a disk image file but I want 5 1/4" floppies. Also, only U.S. please, I don't want to pay for overseas shipping. Let me know how much you want for the two disks and shipping. Thanks in advance...

1. I have your disks
2. I am in Canada which is not overseas per se
3. I often ship stuff to the US vs Europe and the cost is like 25% more so you not accepting "overseas" sounds moot.

Hi Group,

This thread can be cancelled as I now have the CP/M disks. Thanks to all...
