

Welcome to GB64

An attempt to document ALL Commodore 64 gameware before it's too late!

Let the celebrations begin!

Spring time again! And today, there is indeed a lot to celebrate. We just brought Gamebase64 version 18 online, now including a whopping 29000 entries!

Next to this, GB64 is celebrating it's 25th year of existence, ain't that something? And there is even more: It's my daughter Laetitia's 17th birthday today and Easter holidays are just around the corner. So let the massive mega-celebrations begin - enjoy **GB64 v18**!

Driving out the cold season with GB64 v17!

Spring time! As the long winter finally seems to be coming to an end in the Northern hemisphere, we'll celebrate by releasing an early Walpurgis release of the Gamebase 64 collection: Version 17 has just risen, consisting of a haunting 28500 entries!

Oops!...We Did It Again!

...Or shall we better say 'Welcome to the Pleasuredome of GameBase64 v16'?

Gamebase64 collection v13 released!

The GameBase64 Collection v13 is there and this time only half a year has passed since the last release. Release #13 doesn't bring any bad luck but instead it is raising the bar to a new level of 24800 database entries.

All in all nearly 500 titles have been added or updated and support for the latest HVSC #62 is provided! Lean back and enjoy...

The Summer Dozen release!

Ladies and Gentlemen, fellow C64 enthusiasts and Retro Gamers! To celebrate the summer, Version 12 of the Gamebase64 database has just been released! The total game count is now 24450 - another 450 new entries!

Enjoy the collection and have a great summer!
